

Essential Learnings for Adding and Subtracting

- I can make two equal sets with counters or with drawings
I can make unequal sets with counters or with drawings. I can tell if two given sets are equal or unequal.
- I can make a set that is more, fewer (less) or the same as a given set.
- I can show or tell one more than my number, two more, one less and two less than a given number up to **20**.
- I can show and talk about numbers to **20** using manips, drawings, numbers, and numbers words.
- I can add and subtract numbers to **10** using manips, by drawing pictures, and by using numbers.

Measurement

- I can describe using measurement words, like longer or longest, more or less, heaviest or lightest, tallest or shortest and bigger or smaller. I can put objects in order by size.

See attached pages for hints to help your child at home.
